

## **REMARKS**

The applicant appreciates the detail set forth in the Office Action to assist the applicant in amending the claims in order to obtain allowance. Currently, claims 1-3, 5-23 and 25-32 are pending. Claims 4 and 24 have been previously canceled without prejudice or disclaimer. Claims 1-3, 5, 6, 8-19 and 22-32 have been amended herein. The applicant submits that all amendments to the claim are supported by the specification as originally filed. Thus, no new matter has been added. Entry of the foregoing amendments is respectfully requested.

### ***Claim Rejections – 35 USC 112***

Claims 1-3 and 5-23 and 25-32 have been rejected under 35 USC 112, second paragraph, as being “indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.” The applicant has amended the claims in order to overcome the rejections under Section 112. The applicant has also amended the claims to ensure that each claim element finds proper antecedent basis in any preceding claim. Moreover, the applicant has amended claims 22-32 to be in structural form rather than a product-by-process form. The applicant respectfully requests reconsideration of the rejections and allowance of the pending claims.

## **CONCLUSION**

The Applicant requests that the amended claims be allowed. Any unpaid fees associated with this Amendment may be charged to deposit account 50-0881. The Examiner is encouraged to contact the undersigned attorney directly if further action in this case can be expeditiously resolved.

Respectfully submitted,

/Frank W. Compagni/
